

How DEED Helps Minnesota Employers Meet Workforce Needs

CareerForce

CareerForce is Minnesota's official career development and talent matching resource. CareerForce is operated by workforce development staff from the State of Minnesota, local government entities and non-profit workforce development organization partners throughout the state.

With access to Minnesota's largest database of active job seekers and connections to candidates with experience from entry level to management, CareerForce can help you find the talent you need for your business to grow and thrive. CareerForce Employer Navigators work with regional Workforce Strategy Consultants to help provide you the level of hiring support that meets your needs.

How CareerForce helps:

- Promote your employment openings to customers looking for work
- Assist with [MinnesotaWorks.net](https://minnesotaworks.net) postings
- Offer potential hiring event opportunities
- Provide information about the [Work Opportunity Tax Credit](#)
- Connect you with other DEED and community resources that could help address your workforce needs
